Fact about online marketing

Branding is defined as the process of coming up or making a unique name or design for a certain product. Having a good brand strategy allows you to have a major advantage in gaining a large increase in your market competitions. Your brand tells your customers what they can have or expect from the products and services you offer.

Are you innovative or are you the experienced type? or do you offer a high-cost, high-quality product, or a low-cost, high-value products? It's impossible to be both. You should consider on thinking what your customers need to be. Your logo is the main foundation of your brand. All the promotional materials should be connected with your logo to communicate with your brand. Brand messages are delivered and planned based on the questions how, what, when, to whom and where your brand strategy is. Advertisement, visual communication and distribution channels are parts of brand strategy.

The branding strategy you have should be consistent as it leads to a strong brand equity. Branding is defined as the process of coming up or making a unique name or design for a certain product. «Esperamos que nuestras autoridades estén a la altura y realicen las inversiones necesarias para asegurar el manejo de la carga nacional a través de sus centros». Nacho Ruiz, Director Comercial en España de Gen Air/ECS Group.

El 2018 ha sido un año satisfactorio para nosotros, las perspectivas para el próximo ejercicio son de crecimiento e intensa actividad en mercados muy diversos, como el textil, alimentación, farmacéuticos y automoción.

« Cada vez que se acerca el final de año y empezamos a pensar en los presupuestos del siguiente, nos asalta la misma duda: ¿Seremos capaces de superar lo conseguido?

AIRFREIGHT IN GOOD SHAPE ALONG THE 49TH PARALLEL

2018.12

The US and Canada are two of the most significant air cargo nations that share border.

« For Paris-based ECS Group, the airfreight market in USA and Canada is 'pretty good' » at the moment. That is the opinion of ECS Group regional manager North America Danny Olynick. However we have to face some changes. In Canada, the recent legalization of cannabis in October also adds a huge player in the market, with the challenges related to the handling of that commodity.
